Hobbies

I am a talented and passionate Graphic Designer who has completed a Bachelor's Degree in Digital Culture and Graphic Design from Arizona State University. Since my graduation, I have been expanding my design skills in the freelance world and have successfully produced multiple designs that are now representing companies and individuals alike all the while participating in additional structured courses and certification word. Currently, I am looking forward to opportunity to put my skills and knowledge to the test within a professional and collaborative environment.

Client Activations

January 2018 - Present

Digital Air Strike, Scottsdale, AZ

Creation of custom header graphics for product services, landing pages and email templates while onboarding client accounts with appropriate settings. Also in charge of Social Media sites and their credential management.

Digital Specialist

January 2017 - January 2018
